Simonstadt is a beautiful 55' performance motor yacht. Her elegant hull design allows her to zip along at up to 31 knots, whilst providing a very comfortable ride, in a variety of sea conditions.

The high level fly bridge provides comfortable seating for eight guests with a panoramic view of the ocean whilst cruising and refreshments are always closeby, from the handy fly bridge fridge.

Down a level, and further seating is available on the covered aft deck, with sliding doors into the main split-level cabin, with two seating areas fore and aft. The lounge area is well equipped with a 40" plasma screen, whilst higher up and further forwards by the main driving position is the main dining area.

The galley, albeit small is well equipped and provides ample space for catering.

On the lower deck Simonstadt has four guest cabins each with a private bathroom plus the crew cabin in the stern of the vessel.

Simonstadt is a remarkable vessel: comfortable, spacious and quick. Ideal as a hospitality platform or for a family charter on the south coast.

LOCATION

Simonstadt is available to charter in the sheltered waters of the Solent; an area of water separating the Isle of Wight from mainland England. Based at Mercury Marina on the River Hamble, she is centrally located and close to both mainline stations and Southampton Airport. Embarkation is either from our home port or pick-ups can be arranged for Ocean Village, Southampton or Gun Wharf, Portsmouth.

With the Solent playing host to more than 200 marine events and regattas annually and with more than 25 local ports and anchorages within easy distance these waters offer fabulous conditions for corporate days afloat or long relaxing weekends.

If you are interested in corporate charters, the Round the Island Race, Cowes Week, Commodores Cup or the Little Britain Cup offer fantastic spectacles, to add to your day out. However, if you simply want a relaxing and fun day out cruising, the solent provides plenty of interesting places to visit from the fortresses in the eastern solent to the Needles in the West.

If you are interested in chartering, simply ask one of our representatives to provide you with details and itineraries.
